

## Office of Diversity Management and Equal Opportunity (ODMEO)

On September 30, 2013; New Concepts Management Solutions LLC was awarded a five-year contract to provide Technical & Information Support for the Office of Diversity Management and Equal Opportunity (ODMEO), a policy directorate within the Department of Defense (DoD).

NCMS' technical & information support consist of assisting ODMEO in developing and establishing collaborative relationships within the Asian American Native American Pacific Islander Serving Institutions (AANAPISIs) with the objective of increasing the AAPI community's visibility, access to, and participation in DoD programs and services.

NCMS' technical & information support is two-folded:

(1) conduct assessment surveys and solicit inputs to determine AANAPISIs needs and support requirements that would enable them to pursue research and technology transfer contracts; facilitate training workshops and focus groups and (2) facilitate student sessions to provide information on DoD internships, scholarships and career opportunities; particularly in the areas of Science, Technology, Electronics and Mathematics (STEM).

NCMS will be working with AANAPISIs' administrators, staff members and students; and AANAPI affinity groups and organizations.
